CT Nonprofits Week at the Capitol – February 2010

February 22nd through February 26th

10:00 A.M. to 2:00 P.M. Daily – Legislative Office Building (LOB) Concourse

Charitable nonprofit organizations benefit Connecticut communities in ways that cannot easily be quantified. Each day, nonprofit organizations help build communities, foster civil society, strengthen the social fabric and improve the quality of life for people in Connecticut. It is impossible to place a ‘price tag’ on saving a life, keeping a family together, providing positive alternatives to youth, instilling hope through inspiring artistic endeavors, protecting the environment, increasing opportunities for independence...yet the member organizations of Connecticut Association of Nonprofits accomplish these things every day!

The membership of CT Nonprofits includes more than 525 nonprofit organizations. ‘CT Nonprofits Week at the Capitol’ celebrates the collective efforts of ALL nonprofits, by showcasing the work of 50 member organizations. Individually and collectively, nonprofit providers work to enhance the quality of life for all citizens of our state.

Please visit the event and show your support!
