BRINGING THE CHILDREN OF
CONNECTICUT HOPE AND POSSIBILITIES

Covenant to Care
for Children

Helping Connecticut's Children in Need.

Protecting children from the risk of abuse and neglect is everyone's responsibility.

Supporting families by giving parents the knowledge, skills, and resources they need will help ensure children grow up happy and healthy.

- ◆ Encourage parents to play and talk with their children.
- ◆ Talk to parents about what they can expect at different stages of their child's life.
- ◆ Offer healthy ways to cope with stress.
- ◆ Connect parents to a support network.
- ◆ Help families access needed resources.

Covenant to Care for Children mobilizes and channels caring and faithful people to advocate for, mentor and provide direct assistance to Connecticut's children and youth who are abused, neglected or at-risk.

Please join us:

- ◆ **In a collective prayer for the strength to break the cycle of abuse**
- ◆ **Through a cash donation to further our work together**
- ◆ **By becoming a mentor**
- ◆ **By taking part in your faith community's Adopt a Social Worker outreach.**
