Dear Ms. Hallberg;

Casey Family Services is a fully licensed and accredited nonprofit child welfare agency. Casey Family Services has eight divisions in Connecticut, Maine, Maryland, Massachusetts, New Hampshire, Rhode Island and Vermont. Established by United Parcel Service (UPS) Founder Jim Casey in 1976 as a source for long-term foster care, Casey Family Services has grown to offer a broad range of programs since.

With our efforts around permanency and family reunification work it is critical that families have access to supportive services, employment, and educational resources which will help families stay together and provide basic needs. These services continue to act as vehicles to social change that improves the lives of children.

We are pleased to express support for Convenient to Care (CCC) through your Adopt A Social Worker Program and our long standing partnership and the services the program offers our agency, families and youth served.

We believe and have witnessed first hand the invaluable service Adopt A Social Worker Program provides agencies like ours. We have been able to obtain Easter, Thanksgiving, and Christmas Food Baskets, furniture, back to school supplies, luggage and other basic resources over the years.

Our contact with Convenient to Care is Meral Prewitt who is friendly, cooperative, and very resourceful. She responds immediately to emails and requests from our coordinator. She checks in frequently and goes above and beyond to fill requests quickly.

We appreciate and value this partnership and look forward to many more years of working together and support in providing resources and services that meet the need children and families.

Sincerely,

Carmen A. Nieves
