2nd ANNUAL “*ROCK THE HALL*” TO BENEFIT COVENANT TO CARE FOR CHILDREN

On Friday, November 11, 2011, the West Hartford Town Hall will be the scene of the second “***ROCK THE HALL***”, as friends and supporters of Covenant to Care for Children (CCC), are invited to spend a casual evening of fun and fundraising. The evening will include dancing to the fabulous rock and roll music of **Crossroads**, featuring West Hartford residents, Lenny Burke, Bill Coscarelli, Mark Teich, Frank Carabillo, and former resident, Tommy Larkum, among the 9 member band, with food and drink provided by **Nick Faenza /Prospect Café**.

Covenant to Care for Children mobilizes and channels caring and faithful people to advocate for, mentor, and provide direct assistance to Connecticut’s Children and youth who are abused, neglected or at-risk.

Funds from this event will support CCC and their Adopt a Social Worker, Mentoring, Critical Goods Delivery, Crisis Food Pantry, and the Child Enrichment Fund programs serving CT’s children in need. Event sponsors are needed to assist in making this evening a big success. For reservations, tickets and more information about sponsorship of this event and Covenant to Care for Children, in general, please visit the website at: www.covenanttocare.org or call 860-243-1806.
